

# How much money do I need to prepare for a Tier 4 Visa application?

You must have a fixed amount of money to cover your living costs. The Home Office calls this maintenance. You must also have enough money to pay for the course fees for the first year of your course, or the entire course if it is less than one year long.

If you are applying on or after 12 November 2015:

**£1,015** per month of your course, up to a maximum of nine

months which is a total of **£9,135.**

If the length of your course includes a part of a month, the number of months' maintenance that you need will be rounded up.

Plus your **course fees** for one year, or the entire course if it's less than one year.
